ARTIST
TYRONE STROTHER

Hunts Point is my home. I will always come back, no matter where I go.

I came to The Point when I was five years old. The first thing I jumped into was music. I did theater, music, art. I play every instrument and I studied music composition with JazzMobile.

The neighborhood was horrible back when I was younger, six or seven years old. There were a lot of shootings, a lot of drugs, prostitutes, everything.

The Bronx helps you keep an open mind. You never know what is going to happen...you have to keep an open mind.
